GREAT GRAND CHILDREN & THEIR AGES (yes, we are that old!) None, Thank goodness!

What I have been up to the last 40 years.

When my children were young I was fortunate enough to be able to stay home and take care of them. When they were in school I started working. At one time I managed a video store in Frankenmuth, was a clerk at a dress store in town, and then for over 21 years I have worked as a secretary at Oppenheimer & Co. Inc. which is a brokerage firm in town. I am very content working there and plan on working there until I want to retire. I would be able to retire at age 60 but think that I will continue working so that I have something to do to keep myself busy.

Who I am now, and what is important to me.

I have been married to Larry for over 38 years and for around thirty five years we have lived on his families farm about two miles north of Frankenmuth. I am not or never will be a farmer or gardener, in fact there was almost a marriage contract written that I would never have to pluck a chicken or help bail hay (I tried to help once and got fired before the field was done). We take a lot of pride in our yard and have beautiful flowers in the summer but I have to give my husband credit for taking care of everything. I would have to admit that I am a pampered wife thanks to my wonderful, caring husband.

Since my grandchildren live in Birch Run, I see them quite often and they are the pride of my life. We enjoy going to all of their baseball, basketball, and football games.

The most important things in my life are all of my family. I hope that I have been a good, kind, wife, mother, daughter, grandmother, friend, and employee.
